EVS

ASSIGNMENT-2

L-CELEBRATING FESTIVALS

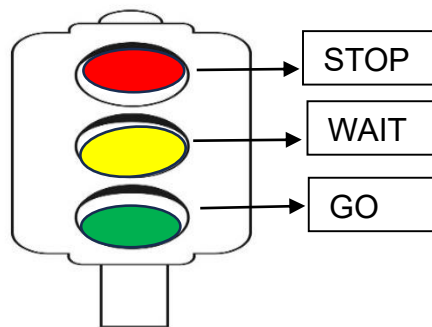

A. Complete the sentences by using the keywords given below:

bike, stop, zebra crossing, head

1. Always cross the road at the zebra crossing.
2. Red traffic light means stop
3. While travelling in the bus, you should not put your head out of the window.
4. Always wear a helmet while riding a bike

B. Fill the right colour in the traffic signal.

C. Write True or False.

1. You should run across the road without looking. **False**
2. Always use a footpath if available. **True**
3. It's okay to play on the road. **False**
4. Green light means "Go". **True**

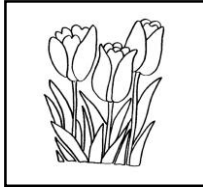

D. Give reasons.

1. It is very important to follow the traffic rules. Why?
 - To stay safe and avoid accidents.
 - To protect ourselves and others.
 - To ensure smooth flow of traffic.

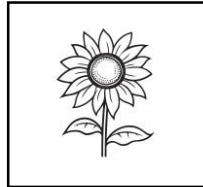

E. What will happen if:

1. There is no zebra crossing nearby?
Ans. It will be difficult for the people to cross the roads.
There will be more chances of accidents.
People have to wait for long to get a chance to cross the road.
2. We don't wear seatbelt while driving a car?
Ans. Seat belts help protect us from serious injuries. Without seat belt, we may get hurt in case of sudden braking of the car. Chances of injuries will increase in an accident.

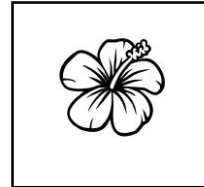

- F. Draw and name two flowers that bloom in spring season. One example has been given for you.

Tulip

Sunflower

Hibiscus

- G. Look at the picture carefully and answer the questions that follow.

1. Name the festival shown in the picture.

Holi

2. In which season do we celebrate this festival?

Spring season

3. How do we celebrate this festival?

We celebrate Holi by putting colours on each other. Everyone looks happy and colourfull. People also use colured water and water guns. We sing, dance and enjoy with our family and friends.

4. What are the special food items made during this festival?

Gujiya , Thandai, Sweets

5. How do we celebrate this festival in eco-friendly manner?

– By using natural and organic colours

- Avoiding wastage of water
- Not harming animals or people
