

**BIRLA VIDYA NIKETAN**  
**SUMMER HOLIDAY HOMEWORK**  
**III, IV & V**

***"Let your imagination bloom this summer like a field of colourful flowers!"***

Get ready for a summer filled with fun and imagination! This holiday homework is your passport to exciting activities where you will create, explore, and learn most joyfully. Let us make this break unforgettable!

**Class III Explorations**

**1. English: Robot Rendezvous**

Create a fun and friendly chat between two robots by drawing pictures and dialogue boxes.

What would robots talk about? What gadgets do they use? What interesting places can they explore together?

Draw or paste your robots and use dialogue bubbles to show what they say.

Use at least 5–6 new tech words from the list below to make your robot chat smart and exciting!

- **Vocabulary:** robot, chat, think, smart, learn, code, friend, sensors, digital, gadget, data, battery, instructions, update, control, explore, voice, command, message
- To be done on an A4 sized sheet.

## 2. Hindi:

कार्य: एक कल्पनात्मक कहानी लिखो

"अगर मेरा एक रोबोट दोस्त होता तो..."

वह क्या करता?

वह कैसा दिखता?

वह मेरी कैसे मदद करता? (कहानी लिखें, चित्र भी बनाएं। A4 शीट का प्रयोग करें।

## 3. Maths: The Magical Math Kitchen

Welcome to the Magical Math Kitchen, where numbers make the tastiest treats!

- Title your recipe: "Cooking with Numbers!"
- Create a recipe with two of your favourite ingredients.
- Write the recipe with step-by-step instructions using numbers and math operations.
- **Example:** Yummy Spaghetti Surprise
  - Boil  $3 + 2$  cups of water (\_\_\_\_\_ cups)
  - Add  $4 \times 1$  pinches of salt (\_\_\_\_\_ pinches)
  - Drop in  $10 \div 2$  handfuls of spaghetti (\_\_\_\_\_ handfuls)

- Stir for 3 × 2 minutes (\_\_\_\_\_ minutes)
- Sprinkle 5 – 1 spoons of cheese on top (\_\_\_\_\_ spoons)
- To be done on an A4-sized sheet.

#### **4. EVS: Whispers from the Woods**

Let us listen to what nature has to say!

Imagine you can hear what trees are saying. A big Banyan tree and a tall Ashoka tree are talking about how hot the summer is in Delhi. They also talk about how people treat nature.

- Write down their conversation, focusing on their message about taking care of our world.
- What is the main thing the Banyan and Ashoka trees want to tell us about taking care of the Earth?
- To be done on an A4-sized sheet.

**Have a fantastic and a creative summer!**
